Description: An antioxidant rich formulation with powerful hydrating properties specially formulated to rejuvenate and nourish the skin. Timeless Cream targets the dual objectives of anti-aging and wrinkle reduction, unlike any other cream or serum.
Instructions for use: Use daily for wrinkle-prone areas like face and neck for visibly clear, soft and smooth skin. Irritation-free formula allows for frequent application every day. Spa-grade potency means less is required to experience results.
For best results, combine with other Total Activation products including our Protein, the Transformation Planner, Total Cleanser, Miracle Eye Gel, Facelift Serum and Aloe Butter to support your Total Activation from the inside out.
